SPA POLICY

Because your spa experience is reserved especially for you, we kindly ask for advance notice if you need to change the date or time of your reservation. Please provide 24 hour notice for each service that needs to be changed, 48 hours notice for multiple services. A 50% charge will be applied to your credit card or gift card used to secure the reservation for failure to follow this policy. No shows or changes made in less than the given time frame are subject to full payment via the gift card or credit card used to secure the reservation.

We love CND's Shellac nail polish (the Original Gel-Hybrid Power Polish), but we don't guarantee it to be chip-free in every situation. To help preserve your manicure, please avoid the various scenarios: over exposure to water, application to super short nails, refrain from picking at your polish, and don't use your nails as tools to scrape or peel at things!
